Overview
50 Word Product Description

The CORSAIR Premium Individually Sleeved Type 4 Gen 4 Starter Kit includes the essential selection to upgrade your PSU cables to flexible paracord sleeve, available in seven different colors and patterns to match your system's style. Flexible paracord mesh and pre-installed modular cable combs make achieving a professional-level build easy.

Overview
100 Word Product Description

The CORSAIR Premium Individually Sleeved Type 4 Gen 4 Starter Kit includes the essential selection to upgrade your PSU cables to flexible paracord sleeve, available red, black, white, blue, red/black, blue/black or white/black cable sets to match your system's style. Flexible paracord mesh and pre-installed modular cable combs make achieving a professional-level build easy, while in-line capacitors on the ATX 24-pin, EPS12V/ATX12V, and PCIe cables maintain all your PSU's award-winning performance.

Features and Benefits

Style 1

- Complete your custom PC build with a choice of seven different colors and patterns.
- Flexible triple-layer mesh paracord individually sleeved cables provide easy cable routing and stylish looks.
- Heatshrink-less connectors for a display-ready PC.
- Included modular interlocking cable combs are easy to install even after you've built your system, for a professional look in seconds.
- In-line capacitors on the ATX 24-pin, EPS12V, and PCIe cables ensure clean voltage delivery and stable power.
  a. Includes an essential selection of CORSAIR Premium Individually Sleeved Cables to equip the most demanding systems.
- Compatible with all Type 4 CORSAIR PSUs, including RMx, RMi, HXi, HX (2017) AX (2018) and AX1600i.

Style 2

- **Complete your custom PC build:** Choose from seven different colors and patterns.
- **Superior Flexible Sleeved Cables:** Triple-layer mesh paracord sleeved cables provide easy cable routing and stylish aesthetics.
- **Heatshrink-less connectors:** For a display-ready PC build.
- **Modular Interlocking cable combs:** Easy to install even after you've built your system, for a professional look in seconds.
- **Untouched Power:** In-line capacitors on the ATX 24-pin, EPS12V, and PCIe cables ensure clean voltage delivery and stable power.
  a. The Essential Selection: Includes an essential selection of CORSAIR Premium Individually Sleeved Cables to equip the most demanding systems.
- **Fully Compatible:** Guaranteed for use with all Type 4 CORSAIR PSUs, including RMx, RMi, HXi, HX (2017) AX (2018) and AX1600i.
