#### **Overview**

#### 25 Word Product Description

Recline into comfort whether playing or working with the CORSAIR TC100 RELAXED Gaming Chair - Fabric, featuring a racing-inspired design with a wider seat surface.

### **Overview**

### 50 Word Product Description

Recline into comfort whether playing or working with the CORSAIR TC100 RELAXED Gaming Chair - Fabric, featuring a racing-inspired design with a wider seat surface. The chair's plush exterior lets you play in cool comfort. With both an included detachable lumbar support pillow and memory foam neck pillow, you have all the support you need.

#### **Overview**

#### **100 Word Product Description**

Recline into comfort whether playing or working with the CORSAIR TC100 RELAXED Gaming Chair - Fabric, featuring a racing-inspired design with a wider seat surface. The chair's plush exterior lets you play in cool comfort. With both an included adjustable lumbar support pillow and detachable memory foam neck pillow, you have all the support you need while gaming. The seat back reclines from 90° to 150°, so you can lean way back after a hard-won victory. After setting the chair up for your exact needs with a class 4 gas lift with 100mm height range and adjustable armrests, the TC100 RELAXED makes it easy to sit back and game on.

#### Features and Benefits

- Racing-inspired design with relaxed bolstering
- Comfortable fabric exterior
- Included adjustable high-density foam lumbar pillow
- Included detachable memory foam neck pillow
- 100mm Adjustable seat height
- Steel-construction class 4 gas lift
- 90-160° Reclining seat back
- Adjustable armrests for fine-tuned comfort
- Quick and easy assembly
- Premium 65mm anti-roll dual-wheel casters
- Style 2

Style Z
