

G332

Wired Gaming Headset

PLAY THE WHOLE GAME

Logitech G332 gaming headset lets you hear more of the game with big 50-mm drivers that deliver complete sound reproduction. Enjoy the whole experience of all your favourite games. This lightweight, slim and comfortable headset features leatherette ear cups with 90° swivel and just-right compression for your long gaming sessions. You get excellent clarity in voice chat and comms with the large 6-mm microphone that flips up to mute and down to unmute. Use this single headset for all game platforms: it works with your PC gaming rig, game consoles, including PlayStation 4™ Xbox One™ and Nintendo Switch™, and mobile devices.
