DATA SHEET

LOGITECH ROOM SOLUTIONS FOR GOOGLE MEET

Transform any space to a Google Meet meeting place with one-touch join, easy content sharing, always-on readiness, and center of room control. Logitech® Room Solutions are available in small, medium, or large configurations with accessories to suit each space.

PRE-CONFIGURED VIDEO CONFERENCING FOR MEETING ROOMS

Logitech Room Solutions for Google Meet include everything you need to build out meeting rooms of virtually any size or shape—a Google Meet compute system, a Meet compute system mount, an Ultra-HD Logitech conferencecam with RightSense™ technologies, and the Logitech Tap touch controller. Plus, device management has never been easier through the Google Workspace Admin Console.

Systems arrive neatly packaged and ready for secure installation. With quality components, commercial-grade cabling, and innovations that automate a better user experience, Logitech Room Solutions for Google Meet make it easy to deploy video collaboration throughout the workplace.

GOOGLE MEET SOLUTIONS FOR EVERY ROOM

SMALL

Designed for focus rooms and smaller conference rooms, the small configuration minimizes cabling and saves space with Logitech MeetUp, a marvel of miniaturization that mounts neatly above or below a display. Place Logitech Tap on the table, or add a wall mount to save even more space.

MEDIUM

As rooms get bigger, tables grow longer and people sit farther from the camera. That's why the medium configuration features Logitech Rally, a premium conferencecam that pairs an advanced ultra-HD camera with modular audio that scales to support a wide range of room sizes and layouts.

LARGE

The large configuration upgrades to Rally Plus with two speakers for clear audio throughout the room. Dual mic pods expand coverage for up to 16 people, and the system supports up to 7 mic pods for rooms with up to 46 seats.

FEATURED COMPONENTS

LOGITECH MEETUP
All-in-One conferencecam with an extra-wide field of view and integrated audio

See everyone, even those close to the camera

RightLight™ and RightSound™ technologies for clear video and front-of-room audio

Compact design minimizes cabling and clutter

LOGITECH RALLY
Premium Ultra-HD conferencecam system for mid-size rooms

RightLight with WDR shows participants in flattering light, even in dim or backlit conditions

Front-mounting speaker and tabletop mic pod with RightSound for directional audio with reduced noise and echo

Premium components and sleek industrial design

LOGITECH RALLY PLUS
Premium Ultra-HD conferencecam system for larger rooms

Adds a second speaker and second mic pod for expanded coverage

Expand with additional mic pods (up to 7 total) for rooms with up to 46 people

Large configurations add a Rally Mic Pod Hub for under-table cable routing

LOGITECH TAP
Touch controller for workplace collaboration

- Responsive 10.1" touch screen
- Fan-free for silent operation
- Commercial-grade cabling and cable management
- HDMI input for local projection

OTHER COMPONENTS

GOOGLE MEET COMPUTE SYSTEM
Small footprint compute of choice from a variety of partners. Google-approved.

MEET COMPUTE SYSTEM MOUNT
Secure Meet compute system and cables to walls and beneath tables with integrated cable retention.

RALLY MOUNTING KIT (FOR RALLY SYSTEM)
Includes wall mounts for the camera and both speakers, plus mounts with cable retention for the display and table hubs. Included with the medium and large room configurations.

RALLY MIC POD HUB
Connect up to three Rally Mic Pods for hub-and-spoke layouts and to minimize cabling. Included with the large room configuration.

ACCESSORIES

TV MOUNT FOR MEETUP
Securely attach MeetUp to your TV or monitor.
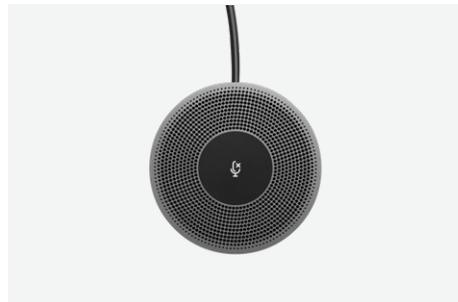

EXPANSION MIC FOR MEETUP
Extend the microphone pickup range and add convenient mute control for small room configurations using MeetUp.

RALLY MIC POD
Expand audio coverage and provide convenient access to mute controls. Compatible with the Rally System in the medium and large room configurations. Available in graphite or white.

RALLY MIC POD MOUNT
Hide cables and anchor mics on the table or ceiling for a clean, finished look. Compatible with the Rally System in the medium and large room configurations. Available in graphite or white.

MOUNTS FOR LOGITECH TAP
Place the Logitech Tap touch controller on the tabletop, or add a mount for better security, convenience, and cable management. The Table and Riser mounts fit in standard grommet holes and swivel 180° for operation from both sides of the table. The Wall Mount saves space in smaller rooms.
