

CRAYON

UNLEASH YOUR CREATIVITY ON iPad.

Grab a Crayon and let the fun begin! Logitech Crayon is a versatile, pixel-precise digital pencil for iPad (6th generation) that unleashes your creativity on hundreds of Apple Pencil supported apps instantly. Logitech Crayon uses Apple Pencil technology for an unrivalled writing experience as natural as pen and paper. Integrated palm rejection technology means you can rest your hands right on the screen while you write. Need a thicker or thinner line? Just tilt – the dynamic tip adjusts lines automatically. Plus, Logitech Crayon is built tough with 1.2-metre drop protection, a unique roll-proof shape and 7 hours of writing time per charge.
