Embargo Date	October 24, 2024
First Customer Ship Date	October 24, 2024
Product Etail Title	CORSAIR NAUTILUS 240 RS Liquid CPU Cooler – RS120 Fans – Fits Intel® LGA 1851/1700, AMD® AM5/AM4 – Simple Daisy-Chain - Direct Motherboard Connection
Product Title	CORSAIR NAUTILUS 240 RS Liquid CPU Cooler
Product Name	CORSAIR NAUTILUS 240 RS Liquid CPU Cooler
Pre-Order Option	No
Product Imagery Link	[LINK](#)
Password	N_rs@gbww12

Overview
25 Word Product Description

The CORSAIR NAUTILUS RS Liquid CPU Cooler features efficient, low-noise cooling, RS120 fans, and easy installation on the latest CPU sockets – no controller needed.

Overview
50 Word Product Description

The CORSAIR NAUTILUS RS Liquid CPU Cooler delivers efficient, low-noise cooling with RS120 fans – no controller needed. Easy daisy-chained connections and PWM control make it a standout choice for efficiently cooling your CPU while keeping noise to a minimum. Supports the latest Intel® and AMD® CPU sockets, including LGA 1851.

Overview
100 Word Product Description

The CORSAIR NAUTILUS RS Liquid CPU Cooler showcases CORSAIR's excellence in engineering and design, offering efficient, low-noise cooling with straightforward connectivity – no controller required, just plug directly into your motherboard. Its slightly convex cold plate with pre-applied thermal paste ensures superior thermal transfer, while RS120 fans maintain low temperatures for maximum CPU performance. Simplify your build with easy, daisy-chained connections and precise cooling control via a 4-pin PWM fan header. For more advanced control, an optional iCUE controller and adapter cable (sold separately) can be used. Supporting a wide range of Intel® and AMD® CPU sockets, including LGA 1851, the NAUTILUS RS offers broad system compatibility.

Features

- **Simple, High-Performance All-in-One CPU Cooling**: Renowned CORSAIR engineering delivers strong, low-noise cooling that helps your CPU reach its full potential.
- **Efficient, Low-Noise Pump**: Keeps your coolant circulating at a high flow rate while generating a whisper-quiet 20 dBA.
- **Convex Cold Plate with Pre-Applied Thermal Paste**: The slightly convex shape ensures maximum contact with your CPU's integrated heat spreader, with thermal paste applied in an optimized pattern to speed up installation.
- **RS120 Fans**:RS fans create strong airflow with the high static pressure necessary to drive air through the radiator. CORSAIR AirGuide technology and Magnetic Dome bearings ensure great cooling performance and low noise.
- **Easy Daisy-Chained Connections**:Reduce the wiring in your system by daisy-chaining your RS fans and connecting them to a single 4-pin PWM fan header on your motherboard.
- **Quiet PWM-Controlled Cooling and Zero RPM Mode**: Dictate your exact fan speeds up to 2,100 RPM with PWM control, plus support for Zero RPM PWM signals allows fans to stop entirely at low temperatures, eliminating fan noise completely.
- **Wide Compatibility**: Supports a wide range of Intel® and AMD® socket types, including the latest cutting-edge LGA 1851.
- **iCUE-Ready**: Connect to a CORSAIR iCUE controller such as the COMMANDER CORE XT (controller and adapter cable sold separately) for more advanced control over your fans and pump using iCUE software.

Tech Specs

Dimensions (mm):	276mm x 120mm x 27mm
Coldplate Material:	Copper
Radiator Material:	Aluminum
Fans included:	RS120
Fan Bearing:	Magnetic Dome
Fan Max Speed:	0 – 2,100 RPM ±10%

Fan Dimensions:	120mm x 25mm
Fan Airflow:	13.3 – 72.8 CFM
Fan Static Pressure:	0.20 – 4.15 mm-H2O
Fan Noise Level:	10 - 36 dBA
Tubing Length:	400mm
Tubing Material:	Black Sleeved Low-Permeation Rubber
Cooling Socket Support:	AMD: AM5, AM4 | Intel: 1851, 1700
Warranty:	5

Box Contents

CORSAIR NAUTILUS 240 RS
2x RS120 fans
Mounting Kit for All Modern CPU Sockets
Fan and Radiator Mounting Screws
Warranty & Safety Leaflet

Shipping Info

Model:	CORSAIR NAUTILUS 240
Part Number:	CW-9060088-WW
UPC Code:	840006687528
EAN:	0840006687528
GTIN:	10840006687525
Product Weight (kg):	1.2kg / 2.65lbs
Box Shipping Weight (kg):	1.7787kg / 3.9214lbs
Pallet Quantity:	84
Retail Box Dimensions (L x W x H mm):	312mm*213mm*131mm / 12.28"*8.39"*5.16
Master Shipper Dimensions (L x W x H mm):	456mm*334mm*444mm / 17.95"*13.15"*17.48
Master Carton Weight (kg):	12.1kg / 26.68lbs
Master Carton quantity:	6
Harmonized Tariff Code:	8473.30.5100
Warranty:	5 Year
