Keys-To-Go 2

Keys-To-Go 2 is a slim keyboard for big ideas. Make great typing happen anywhere on your tablet with our most portable *Bluetooth®* keyboard. The built-in cover protects the keyboard from damage so you can stay productive all day long. Perfectly spaced keys make for a comfortable, laptop-style typing experience — anywhere.

- **Ultra-portable:** The super slim, light design of this wireless *Bluetooth* keyboard makes it easy to pack and work on the go — it's the perfect companion to your tablet or other mobile device.
- **Keeps you covered:** The built-in cover keeps the keys protected from damage. Slip it in your bag when it's time to move. Flip it over and type when it's time to get down to business.
- **Types beautifully:** Perfectly spaced scissor keys for a comfortable, laptop-style typing experience.
- **Convenience at your fingertips:** Switch between devices with the Easy-Switch key, and use other shortcut keys to adjust volume, media playback, screen brightness, and more.
- **For any screen, any OS:** Compatible with tablets and devices that run *Windows, Android, ChromeOS, iOS, iPadOS, and macOS*.
- **3 years of battery life:** Keep going and type worry free for up to 3 years (pre-installed coin cell batteries included).¹
