100-Word Product Description	A legend in customized keyboard performance has emerged. The CORSAIR K70 MAX RGB Magnetic-Mechanical Gaming Keyboard is equipped with adjustable CORSAIR MGX switches, enabling you to set each key's actuation point between a super-sensitive 0.4mm and a robust 3.6mm, for a completely custom gaming and typing experience. Enjoy refined gaming as you rest your hands on a cushioned palm rest with plush memory foam. CORSAIR AXON Hyper-Processing Technology registers your keystrokes up to 8x faster than standard gaming keyboards, while powerful iCUE software on PC and macOS enables in-depth customization. The K70 MAX puts you in total control to forge your legacy.			
50-Word Product Description	A legend in customized keyboard performance has emerged. The CORSAIR K70 MAX RGB Magnetic-Mechanical Gaming Keyboard is equipped with adjustable CORSAIR MGX switches, enabling you to set each key's actuation point between a super-sensitive 0.4mm and a robust 3.6mm, for a completely custom gaming and typing experience.			
25-Word Product Description	Forge your legacy with the CORSAIR K70 MAX RGB Magnetic-Mechanical Gaming Keyboard, equipped with adjustable CORSAIR MGX switches that let you set each key's actuation point.			
Product Features	<ul style="list-style-type: none"> • A Legend Reforged: The K70 MAX reimagines the iconic elements of the renowned K70, with adjustable switches, a durable aluminum frame with all-new styling, and premium keyboard performance that builds on a legendary gaming legacy. 			

- **Adjustable Magnetic-Mechanical Switches:** The entire keyboard is equipped with fully adjustable CORSAIR MGX switches, enabling you to set every key's actuation point from a light 0.4mm to a strong 3.6mm in 0.1mm steps, putting you in control for fast keypresses or ultra-accurate typing.
- **Two Actions for One Keypress:** Dual-point actuation lets you assign two discrete actions to one keypress, giving you the ability to execute instant one-two combos.
- **CORSAIR AXON Hyper-Processing Technology:** AXON enables premier K70 performance, processing and transmitting inputs up to 8x faster than conventional gaming keyboards with 8,000Hz hyper-polling.*
- **Detachable Magnetic Palm Rest with Memory Foam:** Detachable palm rest with plush memory foam provides utmost comfort during the longest gaming sessions.
- **Soft, Satisfying Typing Acoustics:** Two layers of sound dampening deliver the satisfying typing sound keyboard enthusiasts crave.
- **Alluring Etched Aluminum:** A premium aluminum frame with stylized etching offers advanced durability and design.
- **PBT DOUBLE-SHOT Keycaps with Standard Bottom Row:** A precision-molded keycap set resists wear, fading, and shine, with a striking steel gray aesthetic and 1.5mm thickness for rigid stability.
- **Always Ready for Competition:** Flip the tournament switch to automatically lock to distraction-free static backlighting and disable macros, and use the detachable USB Type-C cable to easily set up and take your keyboard with you.
- **Dedicated Media Keys and Volume Roller:** Control your media at the push of a button. The signature aluminum roller smoothly adjusts volume levels and is programmable in iCUE.
- **Onboard Macro Recording and Profile Storage:** Record macros on-the-fly with a convenient hotkey and save them to FN key combination shortcuts. Save up to 50 onboard profiles with custom macros, actions, and your own uniquely vibrant RGB lighting effects.
- **Unite Your Setup:** Powerful CORSAIR iCUE software on Windows and macOS unlocks per-key switch adjustments, dynamic RGB lighting control, key remaps, macro programming, and more.

*8,000Hz hyper-polling is dependent on CPU; older CPUs may experience reduced performance.

Specifications	Form Factor	Full Size
	Chassis	Aluminum, bead blasted finish, Steel Gray
	Colorway	Steel Gray
	Backlighting	Individually LED lit and per-key programmable
	LED Color	RGB, 16.8 million colors
	Switches	CORSAIR MGX, magnetic-mechanical, 4.0mm total travel, guaranteed for 100 million keystrokes
	Wired Connectivity	USB 3.0 Type-A
	Matrix	Full key rollover (NKRO) with 100% anti-ghosting
	USB Report Rate	Up to 8,000Hz hyper-polling with CORSAIR AXON
	On-Board Profiles	Yes, up to 50
	Media Keys	Yes
	Brightness Key	Yes
	Windows Lock Key	Yes
