

VENGEANCE LPX Series

High Performance overclocking for DDR4

SKU Live Date	Jan, 2021
Product Full Name/Title	CORSAIR VENGEANCE LPX 32GB (4x8GB) DDR4 3600 (PC4-28800) C16 1.35V Desktop Memory - Black
Part Number/UPC	CMK32GX4M4D3600C16 840006637172
Search Key Words	DDR4, overclock, DRAM, RAM, gaming RAM, performance RAM, Vengeance, 32GB DDR4, speed, fast

Compatibility List	Recommended for DDR4 systems - Intel 300 Series, Intel 400 Series, AMD 400 Series, AMD 500 Series

Overview

VENGEANCE LPX memory is designed for high-performance overclocking. The heatspreader is made of pure aluminum for faster heat dissipation, and the eight-layer PCB helps manage heat and provides superior overclocking headroom. Each IC is individually screened for performance potential.

The DDR4 form factor is optimized for the latest Intel DDR4 motherboards and offers higher frequencies, greater bandwidth, and lower power consumption than DDR3 modules. VENGEANCE LPX DDR4 modules are compatibility-tested Intel DDR4 motherboards for reliably fast performance. There's XMP 2.0 support for trouble-free automatic overclocking. And, they're available in multiple colors to match your motherboard, your components, or just your style.

Features

- Hand-sorted memory chips ensure high performance with generous overclocking headroom.
- VENGEANCE LPX is optimized for wide compatibility with the latest Intel® and AMD DDR4 motherboards.
- A low-profile height of just 34mm ensures that VENGEANCE LPX even fits in most small-form-factor builds.
- A high-performance PCB guarantees strong signal quality and stability for superior overclocking ability.
- A solid aluminum heatspreader efficiently dissipates heat from each module so that they consistently run at high clock speeds.
- Supports Intel® XMP 2.0 for simple one-setting installation and setup.
- Available in multiple colors to match the style of your system.
- Limited lifetime warranty provides complete peace of mind.

Tech Specs

- Density: 32GB (4x8GB)
- Speed: 3600MHz
- Tested Latency: 16-19-19-36
- Voltage: 1.35V
- Format: DIMM
- Pin Out: 288 Pin
- Intel XMP 2.0
- Heatspreader: Anodized Aluminum
- Compatibility: **Recommended for DDR4 systems - Intel 300 Series, Intel 400 Series, AMD 400 Series, AMD 500 Series**
