PRODUCT DESCRIPTION

LONG:

Easily extend your Elgato Light Strip up to 10 m / 32 ft. Featuring ultra-bright, flicker-free RGBWW LEDs, Elgato Light Strip brings state-of-the-art ambient illumination to your studio. Cool white during the day, warm white for those late-night sessions, and 16 million colors to set any mood imaginable. Cut, bend, and let the super-sticky tesa® adhesive back adhere to your chosen surface. Instantly adjust brightness and color via the app on Mac, Windows, iPhone, or Android. Ultimate immersion, granular color blending, instant control — it's all yours with Elgato Light Strip.

MEDIUM:

Easily extend your Elgato Light Strip up to 10 m / 32 ft. Featuring ultra-bright, flicker-free RGBWW LEDs, Elgato Light Strip brings state-of-the-art ambient illumination to your studio. Instantly control light settings via the app on Mac, Windows, iPhone, or Android, and set any mood imaginable.

SHORT:

Easily extend your Elgato Light Strip up to 10 m / 32 ft. Featuring ultra-bright, flicker-free RGBWW LEDs, Elgato Light Strip brings state-of-the-art ambient illumination to your studio.
