It's got that famous low slope. There's nothing like the F1 car's driving position. That's the real achievement for our Playseat® Formula. We've developed this patented flex-free frame with F1 drivers over a decade to achieve the experience of you being on a real F1 track and we keep trying to improve on this too.

Experience the thrill and glory of Formula 1 yourself	Immerse yourself in the sheer thrill of being behind the wheel of a real F1 car. Well, that's what it feels like at least. We developed the Playseat® Formula with top F1 drivers, No surprises here, we got it bang-on right- both the spine-tingling experience of being in an F1 car and its unique driving position - the signature low-sloping seat which puts you front and centre for every cage-rattling moment. You can feel completely stable as you withstand extreme forces without any flex. You can also invite racers of all ages over thanks to the
Forcelock™ System	How can you withstand extreme forces without any flexing? You need complete stability, and the patented Playseat® Forcelock™ system is here to provide that. It makes it easy to adjust the seating position, wheels and pedals, letting you quickly switch between racers of
Track-Tested by the Pros	If you race a F1 car around a track for a living, you know about the Playseat® Formula chairs. They're the sim racing seats of choice for many of them in fact. They'll be the first to tell you
