Product information	<p><b>The most authentic rally and GT seat</b></p> <p>The Playseat® Sensation PRO has a sturdy frame and solid stance, you won't move an inch when you're driving a rally or GT stage. This sim racing cockpit is used and endorsed by a number of WRC and FIA drivers. These professional drivers underline the unique qualities of the Playseat® Sensation PRO and confirm that this racing simulator portrays the feeling of driving a racecar accurately!</p> <p><b>Extremely strong frame</b></p> <p>The pedal plate can sustain high amounts of braking force, which makes the Playseat® Sensation PRO especially qualified for the most fanatic sim racers. The wheelbase supports all popular steering wheels on the market. It withstands a huge amount of force, which means that the Playseat® Sensation PRO is also compatible with all Direct Drive wheels.</p> <p><b>The ultimate gaming fabric</b></p> <p>This Playseat® Sensation PRO is made of the ActiFit™ fabric of Playseat®. The ActiFit™ fabric consists of vertical micro fibers that move the air. It keeps you cool during the most intense racing sessions.</p> <p><b>Completely adjustable</b></p> <p>The Playseat® Sensation PRO is completely adjustable to players of all shapes and sizes. The distance between the pedals and the wheel is easily adjusted, giving you the best seating position for your body.</p> <p><b>The most beloved in sim racing</b></p> <p>The Playseat® Sensation PRO is used in some of the most popular and iconic esports competitions all over the world, like FIA Rally Star, WRC eSports,</p>
