Plug and Play

The Trust Trino is a simple way to communicate with friends, family and colleagues worldwide. This 720p HD webcam is easy to use; just plug in the USB cable and you're good to go. No need to install drivers. The automatic white balance and the fixed focus lens make sure everything is being recorded in clear quality.

Universal Stand

The integrated microphones pick up your voice clearly, no matter where you place the Trino. Because of the universal stand, you can easily attach this HD webcam to the top of your monitor or place it on your desk. Stable and secure. You can even take an 8-megapixel still picture with a press of a button.
