## Be The Star

Whether you're a streamer, a content creator or working from home, you need a good webcam in this day and age. The Trust Vero does exactly what you expect from a quality webcam. It has a Full HD resolution, an integrated microphone and thanks to the automatic white balance, you will always look your best.

## Clear Video and Sound

The Vero has a Full HD resolution and uses a fixed focus lens, making you look as sharp as ever. There is a built-in microphone as well, picking up everything you have to say. It doesn't matter if you use this webcam for streaming or for recording video's, your audience will be listening to your every word.

## It's That Easy

Thanks to the single USB cable, getting started with the Vero is as easy as 1, 2, 3. Plug in the webcam, choose your favourite streaming or videoconference software and select the Vero as your webcam. You're good to go! The smart stand is suitable for virtually any monitor or just place the webcam on a flat surface. It really is that easy.
